# DIRECTORS' REPORT 2021

Bismillahir Rahmanir Rahim

Dear Shareholders,

On behalf of all members of the new Board of Directors of United Airways I welcome you in the Annual General Meeting of 2021, of United Airways (BD) Ltd. It is really unfortunate for any public listed company not to hold AGMs on time. The operations of the airline were declared closed on 05 March 2016. Since then the previous **Board of Directors did not conduct any AGM**. On 28 February 2021 BSEC reconstituted a new Board of Directors with 8 independent directors. Since then the new Board of Directors has taken few steps to meet the required compliances. Now that pursuant to the Order dated 01 September 2022 passed by the Honorable Company Bench of the High Court Division, Supreme Court of Bangladesh in Company Matter No. 89/2022, the Board of Directors of United Airways (BD) Limited in its 15th meeting held on 10th December 2022 at 3:00 p.m. decided to hold the pending AGM of 2021. We are going to present before you the Directors Reports explaining the present situation and Audited Financial Statements along with the Auditors' Report thereon for the year ended on 30th June 2021.

The new Board as a part of continuation of the company has taken up few measures as a part of fulfilling the compliances of regulatory bodies in order to revive the airline.

## 1. SUSPENSION OF PREVIOUS BOARD OF DIRECTORS

Bangladesh Securities and Exchange Commission (BSEC) to protect the interest of the shareholders vide its letter ref SEC/SRMIC/94-231/51-34/69 dated 28 February, 2021 showing the following reasons, suspended the board of directors and barred them to involve in any business of UABDL:

- a. Company was placed to Z-category wef 05 Sep 2016 and Board of Directors failed to improve it.
- b. Company failed to declare cash dividend for a period of 10 years from 2010.
- c. Company failed to hold AGM within stipulated time. ( since 2015 no AGM was held)
- d. Joint holding of shares by sponsors and directors were less than 5 % of paid up capital.

Commission alleged the board of directors that these are detrimental to the interest of the 95% of the shareholders and undesirable to the commission, thereby, suspending previous board of directors a new board has been constituted.

## 2. APPOINTMENT OF NEW BOARD OF DIRECTORS

Bangladesh Securities and Exchange Commission (BSEC) vide its letter ref SEC/SRMIC/94-231/51-34/69 dated 28 February, 2021 constituted a new Board of Directors with 8 independent Directors. The newly Constituted Board has taken over the responsibility **on 4 March 2021**. Board conducted few meetings and identified some problems to restart the operations. The Board in its 6th Board meeting held on 5th May 2021 removing previous Managing Director appointed Mr. ATM Nazrul Islam as its new Managing Director (Current in Charge).

### 3. SITUATION ANALYSIS

**Corporate Status and Background:** The Company was incorporated on 28th June 2005 as a private Limited Company and turned into Public Limited in 8th May 2006. The company was listed in the Dhaka and Chittagong stock market as only airline of the country in 12 July 2010. United Airways has been issued with Civil Aviation Operating License on 8th July 2007 to operate passenger and cargo services both in International and domestic routes.

The Airline launched its first flight on 10th July 2007 with only one 37-seat Dash 8-100 aircraft. From one aircraft it had eleven (11) aircrafts. Since 10th of July 2007 United Airways had flown over 65000 flights in domestic & International sectors. It operated to all domestic airports of Bangladesh and also operated 11 prestigious International destinations like London, Jeddah, Medina, Dubai, Doha, Muscat, Singapore, Malaysia, Thailand, Karachi, & Kolkata. The Company started with only Tk. 10 crore paid up capital back in 2005, and present paid up capital is Tk. 8280.98 crore.

The previous management closed down its operations on 05 March 2016. The previous Board of Directors also failed to ensure the compliances of Bangladesh Securities and Exchange Commission (BSEC) and CAAB. Following that BSEC has suspended its previous board of Directors and reconstituted a new board of Directors appointing 8 independent Directors in order to revive the operations of United Airways in order to protect the interest of its huge number of shareholders.

The new Board of Directors after having few meetings finds that:

- a. The Air Operating Certificate had expired on 30 May 2016.
- b. The Aircraft Maintenance Organization Certificate had expired on 30 September 2016.
- c. The corporate office of the company had been moved out from its registered address at 1 Jasimuddin Avenue, Sec 3, Uttara to a residential house at Road no. 12 of Sector 1 of Uttara owned by the previous Managing Director some time in 2019.
- d. The offices inside the HSIA, Dhaka had been locked down by the CAAB authority on 18 May 2019 due to huge CAAB dues.
- e. CAAB de-registered UABDL's all aircraft on 20 February 2020.
- f. There was no fund available at the bank or cash to run the day to day business.
- g. There were no technical, operation or skilled staffs available to run the airlines. Only few admin staffs were there to look after office and few documents.
- h. No UABDL personnel were allowed to enter CAAB premises to take care of stores, offices and aircrafts inside the HSIA.
- i. Two aircraft found stranded outside the country, one MD 83 at Raipur Airport, India and another at Karachi, Pakistan. UABDL owes huge amount with them. Both concerned parties' files legal cases against UABDL.
- j. Huge amount of claimed were seen on Air navigational charges from different countries.
- k. Many legal issues remained unattended
- l. Company was placed at OTC market.

### 4. DECISION TO CONDUCT TECHNICAL ASSESSMENT, PENDING ACCOUNTS AND HOLDING PENDING AGMS.

Board of Directors in their different Board meeting took the following decisions:

- a. decided to conduct Technical assessment,
- b. prepare pending accounts since 2018, and
- c. conducting pending AGMs since 2016.

Accordingly, a Technical Assessment Team comprising 10 technical members including 2 rated foreign engineers was formed. Accounts for the year ended 2021 have been done. For holding pending AGMs approval has been taken from BSEC and applied to Company bench of High court for permission.

While doing all these activities, the previous Managing Director of the company issued few legal notice to vacate the office and at one stage he locked down the office preventing entry to that office. It caused lots of problem to prepare the accounts as all the accounting documents were in that office.. Finally, accounts have been completed and received court order in favor to hold pending AGM for 2021.

**5. APPOINTMENT OF AUDIT FIRM:** Obtaining approval from BSEC to conduct audits by a single audit firm Board of Directors in its 10th Board meeting appoints Artisan Chartered Accountants to conduct the audit for the pending accounts for the year 2021.

#### **6. OBJECTIVES OF THE NEWLY CONSTITUTED BOARD**

The newly reconstituted Board of Directors has taken decision to revive the airline to fulfill the desire of Securities and Exchange Commission. Board reviews the company's objectives, market situation, risks factors for preparing a way forward.

**a. COMPANY MISSION:** The new board of Directors of United Airways (BD) Ltd has set the mission to reorganize the airline into an effective airline in the passenger and cargo sectors both in domestic and International routes.

#### **b. COMPANY OBJECTIVES:**

- To revive the operations of the airline
- Establish new sector of Cargo services both domestic and International sectors
- Reviving operation in Domestic sector
- By second year commencement of International passenger services
- To regain confidence of stakeholders including share holders
- To create job opportunity
- To regain at least 30% domestic market share and to build capacity in international market

**7. INDUSTRY ANALYSIS :** Board prepared a re-launching plan and analyzed the Industry and Risk management. These are depicted below:

- a. The rise of private airlines in Bangladesh is the result of some changes in the government policy in 1992. Some entrepreneurs, in 1991 put forwarded the concept of private Airlines to Bangladesh government. After having series of meeting with Ministry of Civil Aviation, a proposal was sent to the government for Short take off and landing (STOL) aircraft operation and to amend the 1991 industry policy. In 1992 the industry policy was amended releasing domestic air transportation business from reserved list. It took another couple of years to finalize the procedures, criteria, and finally issuance of gazette for this operation. Civil Aviation allowed private operators to fly only within the STOL ports without giving any entry to domestic airport especially where Biman operates. Finally, in 1995 Aero Bengal became the pioneer to fly as first private airlines in Bangladesh and it was followed by Airparabat in the following year. . Within very short time it was felt that operating within the STOL airports was not economically viable and after about two years the government opened all other airport for private operators. However, both Aero Bengal and Air Parabat had to close down not because of the commercial reason but for poor management, fund crisis and wrong aircraft selection. The GMG Airline started its operations in 1998 and it was closed down in 2013.
- b. United Airways started its operation on 10th July 2007. United Airways had become the largest private airlines of the country. It had own 11 aircraft in its fleet and operated in all domestic airports and 11 international destinations. United Airways is the only airline managed to enter in the Capital Market of Bangladesh since 2010. After operating over 65000 flights till March 2016, United Airways suspended its operations on 05 March 2016 .

- c. Regent Air Started its domestic operation in 2010-11 with 2 used Dash 8 -300, after starting its operation, for first two and half years they only operated to a few domestic sectors & gradually started International flight to Kolkata with 50 seats Dash 8 aircraft. During the last three years Regent has inducted by leasing 2 X B737-700 & 4 X 737-800 for International operations to KUL, CCU, KTM, DOH, BKK, SIN, MCT & DMM. Regent Air recently closed its operations due to various reasons.
- d. Novo Air Started operation in 2012 with 3 ERJ 145. Novo after three years of operation understood its mistake in aircraft selection and switched over to ATR 72-500 to operate in domestic sectors. The sustainability of NOVO Air looks firm.
- e. US Bangla Airline started its operation in 2013 with 3 Dash 8-400s in domestic sectors. This type of aircraft is not suitable for short sector operations as such they have introduced ATR 72-600 recently. US Bangla has also started to operate to International destinations with 4 x 737-800 aircraft. The growth of US Bangla is remarkable.
- f. Bangladesh Biman, a Government backed airlines has been operating since 1972 both in Domestic and International sectors. The airline is playing major role in Bangladesh aviation.
- g. Air Astra: A new Bangladesh Airlines are scheduled to start its operation by the end of 2022. They have already procured 1xATR aircraft for domestic operations. Another aircraft is likely to join soon.
- h. Present situation: At present only three local airlines have been operating . Of these Biman and US Bangla are operating in both Domestic and International routes while Novo is operating only in Domestic sectors. Summary of the inventories of existing Airlines are as follows.

SL No.	Name	Origin	No. of Aircraft
1	Biman Bangladesh Airline	Bangladesh	5x Dash 8 400+ 4 x B777+ 6x737 + 6 x B787=21
2	Novo Air	Bangladesh	7 x ATR 72-500
3	US Bangla Airline	Bangladesh	3 x Dash 8-400 + 7 x ATR 72-600+ 4 x B 737= 14
	Air Astra	Bangladesh: Likely to start operation by Nov' 22	1X ATR

- i. In addition to local airlines almost 35 International airlines have been operating in Bangladesh. The major foreign airlines are increasing their frequencies of flight almost every year considering additional load factors. There have been quite a good number of dedicated cargo airlines as well.
- j. The aviation sector was worst affected due to Covid pandemic.. However the aviation is regaining its pre- covid situation, In fact in some routes it has been surpassed the covid situation. Moreover, Dhaka has become one of the highest revenue yield station. Most of the airlines have increased their flights. Unfortunately, Bangladeshi airlines are still far away from increasing minimum capacity to compete with foreign airlines.
- k. Market Share: During 2019, pre covid period, the passenger movement was about 8.5 million and cargo movement was .35 million metric tons. Unfortunately Bangladeshi airlines has approximately 25% market share only and unable to increase their capacity in passenger seat or cargo. The share percentage will further decrease with the additional capacity of foreign carriers after the commissioning of 3rd terminal of HSIA. That's mean huge amount of foreign currency in dollar will be flown away by foreign airlines every year from Bangladesh.
- l. Conclusion and Comment: It may be concluded from the above scenario that there is a requirement of airlines with strong footing to enhance Bangladeshi seat and cargo capacity as soon as possible. Accordingly, United Airways ( BD) Ltd may be revived to catch up the present need of the country.

**8. Risk Management has not been discussed as there were no operations.**

## 9. FINANCIAL POSITION OF THE COMPANY :

- a. **Non-Current Assets:** The total non- current assets of last audited report is Tk. 6,262,070,403
- b. **Current Assets (advances, deposits and prepayments) :** Current Assets stands to Tk. 2,950,104,171.
- c. **Receivable:** The total receivable shown is Tk. 714,504,362. Most of the receivables carried forward from the previous accounts of 2016 and 2017. This change in receivable has been occurred due to the impact shown in receivable that occurred from PIA and US Bangla  
This may be mentioned here that the previous Management feedback in respect to accounts receivables in 2016 and 2017 (Clause j of 1.03 “significant accounting policies and relevant information”) appears to be contradictory and doubtful. In 2016 previous management claimed that receivables are good and fully realizable whereas in 2017 it claimed that these are not fully realizable. There were no significant efforts seen by previous management to recover the receivables.
- d. **Share Holder’s capital:** There are no changes in Share-holder’s capital.
- e. **Liabilities :** Total liabilities shown as per year ending June 2021 were Tk.8,206,476,002. The amount has been increased due to imposition of surcharges and bank interest and other costs.
- f. **Operational Revenue:** There is no operational revenue since 2016.
- g. **Operational Expenses:** The operation expenses stood at 3,853,664,406. The change in Operational expenses due to impact of surcharges, interest claimed on old dues by different parties including foreign countries on air navigation charges.
- h. **Operating and Net Profit:** Loss stands to (3,520,923,534)
- i. **Net asset value stood at 1.21**
- j. **The pattern of Shareholdings :** The authorized capital of the company is Tk. 11,000.00 million. The paid up capital of the company is Tk. Tk. 8,280.98 million . The share holding pattern as on 30 June 2021 is shown in Annex (iv)
- k. **Dividend :** Company was not in a position to offer any dividend.

## 10. CORPORATE GOVERNANCE

Corporate governance is to be set as per the processes, customs, policies, laws, and institution affecting the way a corporation is directed, administered or controlled. Corporate governance also includes the relationships among the many stakeholders involved and the goals for which the corporation is governed. The principal stakeholders are the shareholders, management and the board of directors. Other stakeholders include employees, clients creditors, suppliers, regulators, and the community at large. However, the compliance sheet had not been prepared as the company was not in operations since 2016 and was placed at OTC market.

## 11. ACKNOWLEDGEMENT

On behalf of all members of the newly constituted Board of Directors, I express my heartiest thanks to all our valued shareholders, Bangladesh Securities and Exchange Commission, Ministry of Civil Aviation & Tourism, Ministry of Finance, Civil Aviation Authority (CAAB), DSE, CSE, CDBL, SATCOM, Audit Firm, Media and other concerned sectors. I also give thanks to the valued passengers, travel agents, employees, and suppliers those who had worked with and supported United Airways in the past and I expect that the United Airways will receive same support and cooperation from them in the days to come.

Finally, again on behalf of all members of the Board I seek your continuous and constructive advice for making this Annual General Meeting a success.

Let Allah be with all of us.

**Wg. Cdr. ATM Nazrul Islam, psc (Retd)**  
Managing Director (Acting)  
On behalf of Board of Directors

**AUDITORS' REPORT & FINANCIAL STATEMENTS  
OF  
UNITED AIRWAYS (BD) LIMITED  
FOR THE YEAR ENDED JUNE 30, 2021**

## INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF UNITED AIRWAYS (BD) LTD.

### Qualified Opinion

We have audited the financial statements of **United Airways (BD) Limited**. ("the Company"), which comprise the Statement of Financial Position as at 30th June, 2021 and the statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the Financial Statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying Financial Statements present fairly in all material respects, the Financial Position of the **United Airways (BD) Limited** as at 30th June, 2021 and of the results of its operations and its Cash Flows for the year then ended in accordance with IFRS.

### Preface of the appointment of Auditors:

United Airways (BD) Limited couldn't hold/ arrange the Annual General Meeting (AGM) for the last 6 (six) years since 2016 to 2021. To hold all pending Annual General Meeting of the Company a directive was vested to the present (formulated vide Ref. # SEC/SRMIC/94231/51-34/69 dated 28/02/2021) management from Bangladesh Securities Exchange and Commission (BSEC). Thereafter ARTISAN, Chartered Accountants were appointed to complete the Audit of accounts of United Airways (BD) Limited for all the 4 years (from 2017-2018 to 2020-2021) vide appointment letter dated 16.01.2022 and subsequently for the year 2021-2022.

### Basis for Qualified Opinion

#### 1. Going Concern Issue:

The Management prepared the Financial Statements that the company is going concern.

The examples of condition furnished below indicate that a material uncertainty exists that cast significant doubt on the company's ability to continue as a going concern. The Financial Statements do not disclose this matter.

- Company did not prepare cash book, ledger and Trial Balance for the year ended 30th June, 2021.
- Non Compliance with Laws & Regulations of Bangladesh Securities and Exchange Commission.
- Directors hold only 2.50% shares instead of 30% holdings.
- United Airways (BD) Limited become inoperative from 05th March, 2016 due to fund crises.
- The company failed to declare cash dividend for a period of 10 years from 2010.
- The Air Operating Certificate had expired on 30 May 2016.
- The Aircraft Maintenance Organization Certificate had expired on 30 September 2016.
- The Registered office was shifted to a residential house sometime on 2019 owned by the then Managing Director without taking proper measures.
- The offices inside the HSIA, Dhaka had been locked down by the CAAB authority on 18 May 2019 denying the excess of UABDL employees.
- CAAB de-registered UABDL's all aircraft on 20 February 2020.
- We draw attention to profit or loss Statement in the Financial Statements, which indicates that the company incurred a net loss of Tk. 3,520,923,534 during the year ended 30th June, 2021 and the accumulated loss as on 30th June, 2021 stood at Tk. 7,685,206,228.

## **2. Impairment of Property, Plant and Equipment:**

The Company is not in operation from 05 March, 2016. Since the airline could not revive its activities since then and due to some other non-compliance, Bangladesh Securities and Exchange Commission (BSEC) vide its letter ref SEC/SRMIC/94-231/51-34/69 dated 28 February, 2021 suspending previous board of directors formed a new Board of Directors with eight (8) new independent directors. The new Board of Directors after preliminary study decided to conduct technical assessment of the aircrafts and stores.

The management completed their assessment and provided an expected market value of USD 21,500,000 equivalent to Tk. 2,150,000,000 which is 34.34% of written down value of Property, Plant & Equipment stated in the statement of financial position. The Financial Statement have been prepared as usual cost less accumulated depreciation. If impairment impact has been shown in the statement of profit or loss and other comprehensive income, operating loss would have been increased to that extent.

The technical assessment report also stated that Tk. 5,600,000,000 will be required for repair and maintenance of Aircraft return to Air worthiness.

## **3. Advance, Deposits and Prepayments:**

We refer to the note number 4.00 of the Financial Statements, it is notable that the amount has been brought forward from last year. There are no changes for adjustment/realization.

It indicates that there is doubt about adjustability of the advances.

## **4. Stocks and Spares:**

The Company's inventories are carried in the statement of financial position at Tk. 1,068,318,760 which is brought forward from last year. Management has stated inventories are reported at the lower of cost and net realizable value but reported them solely at cost, which constitutes a departure from IAS-2 (Inventories).

The life of the spare parts is expired. The life could be extended if recertification is made from expert of foreign country. There is huge amount of cost be involved for recertification. If management comply with IAS-2, a substantial amount would have been required to write the inventories down to their net realizable value. Accordingly, net income would have been reduced.

Huge number of spare parts were found missing at the time of physical verification of technical assessment.

## **5. Accounts Receivable:**

We draw attention to note 5 of the financial statements, in our judgment the amount is not collectible. If Management determines collectible amount a substantial amount would have been required to write the accounts receivable down. Accordingly, net income would have been reduced.

## **6. Accounts Payable:**

Details of Accounts Payable are furnished in Annexure iii, Accounts Payable was increased by Tk. 3,460,194,714 during the year under audit. If Management determines payable amount a substantial amount would have been required to write back to the account. Accordingly, net income would have been increased.

## **Emphasis of Matter:**

We note that Company Could not provide any explanation regarding Unearned revenue of Tk 8,465,911.

## **Other information**

Management is responsible to disclose other information. The other information comprises all of the information included in the Annual Report other than the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISAs) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing (ISAs), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain Sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the company's financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have not come across any other key audit issue for the year under audit, and as such nothing is reportable.

#### **Report on other Legal and Regulatory Requirements**

In accordance with the Companies Act, 1994, the Securities and Exchange Rules 1987, we also report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) In our opinion, proper books of accounts as required by law have not been kept by the Company;
- c) The statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the accounts that are prepared from Bank Statements, Creditors' invoices and other records; and
- d) The expenditure incurred was for the purposes of the company's business.
