CARD STOCK AND DESIGNER PAPER:

White Cardstock (Hammermill)

4-1/4 x 11, score and fold at 5-1/2 – card base

(3) 5-1/2" x 8-1/2" – die cut s

Pink

4-1/4" x 5-1/2" – card front

DIRECTIONS:

1. Start with a piece of white hammermill cardstock 4-1/4" x 5-1/2" and using blending brushes, ink blend the pink and yellow inks across the piece.
2. Next, using the circle stencils, add a pink circle to the yellow part and a yellow circle to the pink part. At the end of this I also added a bit of purple in at the top of the pink. Once the ink is dry, gold heat emboss the stars stamp in the yellow circle and the star burst in the bottom pink circle.

3. Then, place the piece on a protected work surface and using the dots stencil from the new Tiled Posy Stencil, and Gina K Glitz Glitter Gel in Iridescent, add some dots around the circles then splatter it with gold paint and Spellbinders Splatter white, as well as water. Set aside to dry.
4. Finally, create another piece of the ink blended background. On this piece you want to stamp the dragonfly, and both leaf dies in VersaMark ink and gold emboss them. I got the dies for this set making it super easy to cut out these pieces to add to my card.
5. Create a card base from white cardstock 4-1/4" x 11, score and fold at 5-1/2". Cut a piece of pink cardstock for the card front, 4-1/4" x 5-1/2". Cut the art piece down to 4 x 5-1/4" and distress the edges with the Tim Holtz Distressing Tool.
6. Attach the art piece and then use foam squares to attach the embossed die cut pieces. Embellish with Pawsitively Dazzling Gems.

Happy Stamping
