

1.1 moves to amend H.F. No. 3763, the delete everything amendment
1.2 (H3763DE1), as follows:

1.3 Page 5, line 27, delete "treatment" and insert "home water treatment, including reverse
1.4 osmosis, for private drinking-water wells with nitrate in excess of the maximum contaminant
1.5 level of ten milligrams per liter and located in Dodge, Fillmore, Goodhue, Houston, Mower,
1.6 Olmsted, or Wabasha County. The commissioner must prioritize households at or below
1.7 300 percent of the federal poverty guideline and households with infants or pregnant
1.8 individuals. The commissioner may also use this appropriation for education, outreach, and
1.9 technical assistance to homeowners. Notwithstanding Minnesota Statutes, section 16B.98,
1.10 subdivision 14, the commissioner may use up to 6.5 percent of this appropriation for
1.11 administrative costs"
